

**Business Process Management (BPM)  
A Blueprint for User Success**

*Friday, July 29, 2016  
11am – 12pm AEST*

AIIM Australasia cordially invites you to attend our presentation on Friday, July 29, which will cover Business Process Management (BPM) and the basic use and goals of BPM strategies in the workplace. Our presenter Mr. Adam Storch is a world-renowned subject matter expert in the area of BPM strategies and designs.

Mr. Storch is Vice President of Micro Strategies' Business Process Solutions Group. Prior to joining Micro Strategies, Adam spent the past twenty years leading Business Practice Teams in defining and implementing business strategies and solutions for the Fortune 500 and Global 1000.

Adam is a popular speaker at national conferences on topics such as Implementation and Enterprise Content Management.

Please feel free to register and participate in this event if your schedule allows. The specific registration link is found in the information below.
