

**ECM Industry Trends  
Milestones, Capabilities, and Futures**

***Tuesday May 10th, 2016  
9:30am – 10:30am (AEST)***

AIIM Australasia cordially invites you to attend our presentation on Tuesday May 10th, which will cover the current ECM Industry Trends. Our presenter Mr. Dave Jones, VP of AIIM European Operations, based in UK will examine the industry disruptors shaking the ECM Industry and how these can be utilized by the industry to move forward.

Mr. Jones has a unique perspective on the ECM industry, having been actively involved in ECM for over 15 years, and indeed being one of the first to deliver an ECM in the cloud solution in 2002. He has worked with multiple industries and verticals and positioned ECM solutions to organizations globally as a developer, marketer, sales person and CEO.

Please feel free to register and participate in this event if your schedule allows. The specific registration link is found in the information below.
